During these crazy and chaotic times, it is important for me to stop and think about all the things for which I'm thankful. I am thankful for four entertaining grandchildren, three daughters that keep me moving & devoted employees. I am also incredibly thankful for you, my customers, who enrich my life everyday because of your kindness and loyalty.

In some small way, I hope we can make this holiday season easier for you and yours!

Bon Appetit, and don't forget, everything is better with butter!
